

7th NOVEMBER 2009

THE BONFIRE PRAYER

*Remember, Remember,
The Fifth of November,
The Gunpowder,
Treason and Plot.
We see no reason why Gunpowder Treason
Should ever be forgot.
Guy Fawkes, Guy Fawkes,
'twas his intent
To blow up The King and The Parliament.
With three score barrels of powder below,
Poor Old England to overthrow.
But by God's Providence he was caught,
With a dark lantern and slow burning match.
So Holler boys, Holler boys,
let the Bells Ring,
Holler boys, Holler boys, God saved The King.
What shall we do with him?*

BURN HIM.

THE PRESIDENTS MESSAGE

Isn't life awful?

Even if we have the money, we are discouraged from doing anything which gives us enjoyment...fun!

Don't fly	– save the world.
Don't drive	- save fuel (and the world)
Don't have a car – use public transport	- where is it?
Don't dare earn too much	- we'll tax it
Don't spend too much	- we'll tax it
Don't let your children out	- it's dangerous
Don't let your children play on their own	- it's dangerous
Don't go on holiday	- you can't afford it
Stay at home – it's a Barbecue Summer	- was this just propaganda put out by the
government to help us feel better in the light of the financial crisis which they helped to create?	

What can we do to have some fun and not spend money?

Well, in your very own village, there is a small dedicated group of people who are busy arranging just that.

They are the Chailey Bonfire Society and they are busy making sure that on 7th November, there will be the biggest and the best ever bonfire celebration with fantastic fireworks at the Village Hall.

It's free.....children are welcome and are safe.....there are reasonably priced refreshments.....and a great fun time is guaranteed for all.....even if the Government conspires to make it rain!

So come along - join the procession if you can (from Mill lane via the Horn's Lodge) - and if you've got any spare change left from not having spent any on a BBQ, then put some in the collection buckets on the night. This will contribute towards the Old Folks' Christmas party and make you feel good, too!

I look forward to seeing many of you there on the night.

Jim Jackson
President

From the Treasurer

The 2008-09 year was much the same as the last few ending with us just about breaking even. The 2008 Grand Draw, 100 Club, Jumble Sales, Quizzes and other fund raising events continued to be successful and we are, as always, very grateful to all of those that helped.

The Pig Roast at the beginning of this Summer was well supported and proved to be great fun, as was the Ball in previous years, and I really hope you enjoyed it as much as I did all be it not raising much money.

I don't know if it's a sign of the current economic climate but fund raising during this year to date has been a struggle and for the first time for many years we are having to dig deep into our reserves to make ends meet. For one year that's fine but going forward we really do need some new ideas as to how we can raise more. I really would appreciate any feedback as to what to do for the remainder of this year and in 2010.... A Ball, A Pig Roast, Mower Racing, Grand Draw, Drinking Competition (this was my idea) or something completely different? Do, please, let me, or any of the other committee members, know your view.

As always we are indebted to our helpers and all those who support us. Thank you all for your continued support, long may it continue.

Chris Farrow

"ENDURANCE" STEAM TRACTION ENGINE

Those local to Chailey will have regularly heard the rumble of a steam traction engine and the hoot of the whistle as Robert Langley and his family trundle out of the village to exhibit their beautiful engine at a show or rally or are returning from one back to the village.

This engine is a Fowler 6nhp A4 Traction engine named "ENDURANCE" and her home is South Chailey. The engine was supplied new to Eddison Contractors of Dorchester, Dorset; this engine then went to Oxford Steam Plough Company who later became Allens of Oxford. Most of this engines last working days were spent in the ownership of Somerset County Council. She was sent to Goodey's yard at Twyford destined for scrap.

The Langley family saved her from this fate in 1971 and she has since been fully restored. She has been extensively rallied from the time of purchase to the present day.

"Endurance" has joined us regularly to celebrate Chailey Bonfire as above shows and is as much part of the Bonfire Celebrations as the fireworks. This year is no exception and we look forward to her company as well as The Langley family and hopefully for many more Bonfire celebrations to come and thank them for their support.
